SUBJECT

:

Congressional Request for R&D Information

1. Reference is made to the letter, dated 22 May 1964, to the DCI from Congressman Carl Elliott of the Select Committee on Government Research, requesting information on the research and development program of this Agency.

2. This Office considers that compliance with the request for such extensive information concerning the Agency's research and development programs would not be in the best security interest of CIA.

3. Accordingly, it is requested that all available steps be taken to insure that the Agency is not required to furnish the requested data.
